*Manufacturer's Limited Warranty*

The Manufacturer of this product warrants to the original purchaser of this product that this product will be free from defects in material and workmanship under normal use and service for 6 years from date of purchase. Manufacturer will, at its option, repair or replace with a new or refurbished product. The Manufacturer reserves the right, before having any obligation under this limited warranty, to inspect the product, and all costs of shipping the product for inspection and warranty service shall be borne solely by the purchaser.

For the fastest processing of a warranty claim, the Purchaser should e-mail CustomerCare@thesecura.com and include the product name and model #, proof of original purchase, complete contact information, and detailed information about the issue, including pictures when applicable.

The manufacturer's limited warranty is valid only in accordance with the following conditions:

1. The product is purchased directly from manufacturer or an authorized reseller or distributor.
2. Only the original purchaser is covered by this warranty. This warranty is not transferable.
3. Product is for personal use only. This warranty is void if the product is used in a commercial or institutional establishment.
4. This warranty does not cover normal wear and tear or damage caused by misuse, abuse, negligence, accident, acts of nature, or unauthorized modification or repair.
5. Purchaser must present acceptable proof of purchase for the product.
6. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.

**Warnings**

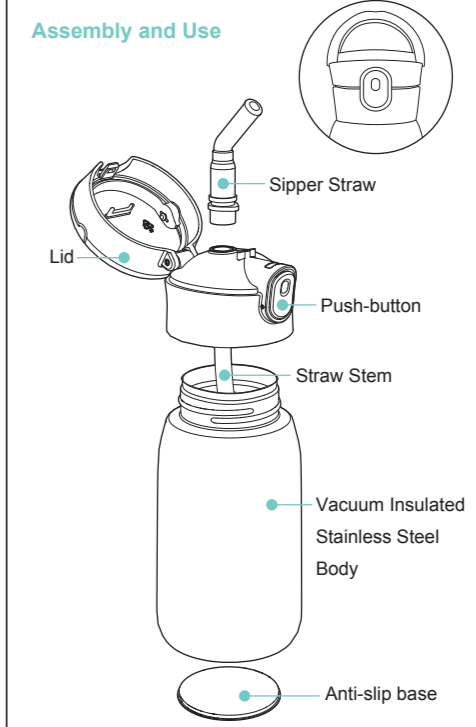

- Do not place product in freezer, microwave, on stove top, or in any type of oven.
- Not For Use With Hot Liquids: Hot liquids may cause burns or scald user. For cold liquids only.
- Not for use with carbonated, pulpy or perishable beverages.
- Do not store contents overnight in bottle.
- Use only under adult supervision. To avoid possible injury, do not let child walk or run with product.
- To avoid possible injury, do not let child chew on the straw as it may present a choking hazard.
- Check straw regularly. If the straw is damaged or worn, please discontinue use and contact customercare@thesecura.com to purchase a replacement straw.
- Continuous and prolonged sucking of fluids such as fruit juices or flavored sugary drinks may cause tooth decay.
- Do not leave child unattended while using this product.
- Always test temperature of contents before consuming and before feeding to your child.
- Do not overfill the bottle. To avoid overflow, leave space for the lid and straw stem.
- Check periodically to make sure that the gasket and straw are present and properly positioned. Damaged, worn or misaligned straw and/or gasket may cause product to leak.

**Always follow basic safety precautions when using any products, especially when children are present.**

**General Care**

- Before first use, and after each use, please hand wash all parts with warm, soapy water. Rinse thoroughly and allow to dry completely prior to next use or storage.
- Do not use abrasive cleaners or scrubbers, and do not use bleach or cleaners containing chlorine on any parts of the product, since they may damage the finish.
- The straw and lid are top-rack dishwasher safe. Wash the stainless-steel body by hand. Dishwashers use harsher detergents and hot water that may affect the appearance of your product.
- Do not put in the freezer. The superior thermal insulation will prevent any liquid inside the bottle from getting cold.
- Residual liquids, foods, or other contents may become trapped between product components, such as lid parts, container parts, gaskets, or straws. Please thoroughly clean all parts prior to next use or storage.
- For maximum thermal insulation efficiency, fill with hot/cold tap water prior to use, close lid, let stand 5 to 10 minutes and empty. After filling container with liquid, re-cover with lid to increase thermal efficiency.
- Never use a microwave, conventional oven, or other heat source for this purpose.

**Assembly and Use**

**How to reassemble parts after cleaning:**

1. Insert the sipper straw from the bottom of the lid. The straw stem must not be attached to the sipper straw.
2. Align the sipper straw so it fits into the groove at the bottom of the lid, and the sipper straw tips forward pointing to the push-button.
3. Pull the sipper straw up firmly from the top of the lid, until the sipper straw snap into place.
4. From the bottom of the lid, insert the straw stem securely into the sipper straw.

**Note:** Assemble the straw properly and securely to avoid leaking.

**How to use:**

1. Fill container with liquid. Do not overfill. To avoid overflow, leave space for the lid and straw stem.
2. Replace lid by twisting clockwise.
3. To drink, press the push-button located on the lid to release the lid cover and reveal the sipper straw.
4. When finished drinking, close the lid cover until it snaps securely into place.

**Note:** A damaged sipper straw may cause the product to leak. Check sipper straw regularly. If the straw is damaged or worn, please discontinue use and contact customercare@thesecura.com to purchase a replacement straw.

**Note:** Check for leakage each time the straw has been reassembled or the lid replaced. If it leaks, check that the straw is properly reassembled and if the lid is securely fastened.
